About Us

Naflin Consult Limited is an auspicious business registered in Ghana. Experienced and dedicated professionals founded the firm in October 2011. Naflin Consult provides specialised services to organisations of all nature and size, and is compliant with all local legislative requirements.

About Us

Our Vision

Our vision is to become Africa's premier firm by providing reliable management consultancy, business intermediation, and engineering services.

Our Mission

Our mission is to improve the operational effectiveness and the competitive advantage of our clients by providing them with practical and innovative management and consulting solutions and develop our employees professional advancement as well as enhance the return to our community and stakeholders.

Our Values

Our core values are:

- Professionalism
- Excellence
- Fairness
- Integrity
- Team Work
- Reliability

Our Symbol / Logo

Represents the Eternity Circle and means lasting business relationships for the mutual benefits of our Clients and Naflin Consult. Our engagement creates value for our clients so they come back creating more business opportunities for the firm and the cycle continues.

About Us

Our Philosophy

At Naflin Consult we operate on the philosophy of delighting our clients, by delivering superior value and exceeding the expectations of our clientele. To achieve this objective we relentlessly pursue professional and technical excellence, maintain high standards of service, and always bring the best team to deal with every single assignment. We are passionate about quality and doing our work right the first time. Thus, we provide uncompromised quality, since our reputation depends on our delivered value in the eyes of every client. At Naflin Consult we understand our clients' business needs and believe that our clients' success is vital to the success of our business.

Transparency, trust, and teamwork are the principal elements of our roadmap to excellent performance. Our utmost asset is a corporate culture that nurtures diversity of backgrounds, views, experience, and skills to create opportunities and capabilities. The firm further provides a suitable environment for the growth of employee potential. Naflin Consult encourages the active involvement of employees in creating a healthy and friendly working environment. We further inspire employees to take personal responsibility for growth and professional development. We support our employees in a way that fosters learning, growth and recognition for excellent performance.

Naflin Consult has integrated social and environmental concerns into its operations and its interactions with all stakeholders. Thus, in delivering our services, we ensure harmony with the environment and cordiality with all stakeholders.

Ethics

Our reputation with our clients and the trust they place in our services is critical to our business. Therefore, we strive to meet high ethical standards in handling the various business engagements, and all aspects of our work.

Our decision-making processes embrace a stringent adherence to universally accepted ethical values and abidance with local and international laws and statutes.

Enduring commitment to the highest professional ethical standards is deeply embedded in every professional conduct and business deed undertaken by all Naflin Consult employees. Moral responsibility and accountability is the pillar of the firm's undertakings.

Our reputation, and the standards we adhere to are uncompromised.

About Us

Our Team

We have a team of highly qualified and experienced professionals with decades of combined experience in improving businesses. Our top-notch teams have proven problem solving, consulting and analytical skills.

Our experts are selected from a variety of organizational levels and industries. They know how to effectively focus on the most important areas of your company and work with you to accomplish your goals. Each professional has a high level of personal commitment to his or her work.

Along with this commitment comes a strong belief that the success of the clients' firm is key to the success of our business.

This full range of services is geared towards helping all types of businesses and organizations achieve competitive advantage. In virtually every industry, we assist firms transform their businesses by delivering superior value, flexible, cost-effective, and integrated consulting solutions, so that, they respond quickly to the ever-changing levels of competition and customer expectation.

Management Consulting

Our management consulting services involves diagnosing and analysing management and business problems, developing potential solutions and making recommendations on the preferred course of action, and further facilitating the implementation of the solution. Our team of management consultants specialise in providing firms with expertise in human resource management, strategic management, market analysis and branding. Our team focus on developing practical and innovative strategies and fine-tuning them to reflect the needs of the client.

Project Management

Recent trends in business such as compressed product lifecycle, global competition, and increased customer focus has resulted in achieving specific objectives within budget and meeting deadlines critical to competitive advantage. Project managements' focus on time, budget and performance has proven to be the efficient, effective, and flexible way to meet business objectives in today's environment. Our team of world-class certified professional project managers have years of practical experience in project planning, project implementation, and project monitoring and controlling, and has facilitated the successful execution and completion of projects in diverse industries.

Training & Education

We recognise the importance of knowledge, and thus are passionate about the dissemination of knowledge and skill. We acknowledge that different people have different learning styles and different organisations have different training needs, therefore we offer customized courses to suit your organizations' specific needs. Attendees of our training programs receive high-quality training designed to implement programs using proven techniques in the areas of project management, operations management, procurement management, quality management, human resource management, marketing of services, and business communication. After attending a course, attendees are able to take the knowledge gained beyond the classroom into everyday work situations.

Procurement Services

Our procurement specialists apply knowledge and procurement expertise gained from years of experience to help our clients improve every aspect of procurement activity in both the public and private sectors. Our procurement services include the convenient and economic sourcing and selection of goods and services; and the acquisition of quality supplies at competitive prices. We apply approved buying methods and best practice in the procurement process.

Engineering Services

Our team of qualified and experienced engineers are available to undertake a wide range of engineering services covering engineering designs, construction management and supervision, engineering procurement, technical audit and feasibility studies.

Travel Advisory Services

Our team of travel consultants have vast industry knowledge both locally and internationally to assist individuals, clients and local and multinational corporate organisations manage their travel needs.

We provide a range of travel services in the areas of:

- Airline Ticketing
- Visa Facilitation
- Travel Insurance
- Hotel Reservation
- Travel Guidance
- Transportation
- Tour Packages

We have the requisite capabilities to arrange for all aspects of domestic and international travels. Our experienced team provide the guidance to enable our clients save costs and make informed decisions.

Car Rental / Lease

Naflin Consult provides a range of services from renting and leasing of vehicles. Our transportation services cover all of Ghana and have the widest destination knowledge in our local transportation sector. All our chauffeur driven vehicles are furnished with air conditioning, air bags, automatic breaking system and other security features for the comfort and safety of our clients. Our drivers are well trained, experienced, competent and reliable. The safety and security of our clients are primary to us. They are provided with the necessary tools to offer delightful services to our clients. Our vehicles are comprehensively insured and maintained according to the manufacturers requirements. The vehicles are available for long or short-term hire.

Business Intermediation and Representation

We provide professional consultation and representation to clients interested in entering the Ghanaian market, by conducting initial research, feasibility studies and offering agency services. We introduce Ghanaian businesses to multinational businesses and vice versa.
